

Adopt-A-Book

for the CDS Library

Fill the library with books for our students! Honor your daughter's/son's birthday, confirmation, Bar or Bat Mitzvah... any special occasion—or just celebrate the joy of reading. Our librarians will choose a book relevant to your student's curriculum and place a commemorative bookplate with his/her name on the inside cover. You can help select the book if you wish. For only \$15, you can enhance our library while honoring your student.
