

Financial Aid Applications

Information for Families

Thank you for your interest in **Carolina Day School** for the 2010-11 school year. You may begin to apply for financial aid starting on November 1, 2009, as described below. To be eligible for consideration for financial aid at **Carolina Day School**, you must complete your application by **February 13, 2010**. We will communicate decisions about financial aid before the end of March 2010.

We use School and Student Services (SSS) to process financial aid applications. SSS is a service of the National Association of Independent Schools. Based on the financial information you provide, SSS gives us an estimated amount your family can contribute to educational expenses. This helps us make fair and objective financial aid decisions. To begin your financial aid application for the 2010-11 school year, follow these steps below.

ONLINE

1. Starting on November 1, 2009, go to sss.nais.org.
2. Click on the prompt to begin your Parents' Financial Statement (PFS). You can print a blank form to use as a worksheet if you like. You only have to complete one PFS even if you have several children applying to our school.
3. You will be given a password that will allow you to return to your PFS at a later date before submitting it.

Note: If you apply for financial aid online, your information will be delivered more quickly to our school, *allowing us to make a faster decision about your eligibility for financial aid.*

A New Look at sss.nais.org

Families who have applied for financial aid in the past will see that this website looks different. It uses the same methodology and will require the same information. But we think you will find the interface and on-screen help more user-friendly:

- Clear, step by step instructions
- Ability to begin a PFS and complete it at a later date
- Ability for you to track the receipt of documents you submitted
- Online help to ensure successful submission

At sss.nais.org, also find tips and articles.
