

CAROLINA  
DAY SCHOOL

## **Back-to-School Forms for 2010-2011**

### **Forms are due to Stephanie León by May 28, 2010.**

Parents,

Amazingly, this year is almost over and in just a few short months we'll be ringing the bell to start the 2010-2011 school year. **Please note that the forms enclosed need to be returned to Stephanie León by Friday, May 28.**

**Carolina Day School requires that every student be covered by some form of accident/health insurance while attending school and while participating in school-sponsored activities. Students will not be allowed to attend school unless proof of accident/health insurance coverage is provided to the school. The school does not pay for this insurance.**

A student accident insurance policy is available for anyone who does not have coverage or would like additional protection. Coverage can be purchased for 24-hours a day or during school-time only. Dental accident coverage is also available. Please call Doris Hardin in the business office (274-0758 extension 315) for additional information or to request enrollment forms.

*Most of the enclosed forms have space for each child in your family while others are for individual students. We have included extra forms for those needed individually. That information is noted on each form and in the list below.*

If you need additional forms, they can be downloaded in PDF format from the school website at:  
[www.cdschool.org](http://www.cdschool.org).
