

## **\*Required for all full-day Key Students**

### **KEY SCHOOL SUPPLIES FOR 2010-2011**

\*As a part of our Study Skills curriculum, we are teaching all students to set up a *Master Notebook System*. This will vary from grade to grade. This system calls for specialized dividers, notebooks, calendars, etc. that are not easily found in many office supply stores. **For this reason, these required materials must be ordered by the Key School for each of our Key School students.**

*Our goal for each student: Establish a consistent organizational system of maintenance of all school materials*

**Each full-day Key School student must submit a Key School Supply Fee of \$65 for lower school students and \$85 for middle school students. The business office will bill you for the fee.**

**\*\*Disregard all other supply lists or order forms.\*\***

*Dually-enrolled students should not send in a supply fee for Key School supplies. Please only purchase materials necessary for that student's individual grade.*
