3-day Senior Study Skills	\$3,140	\$850	\$2,290	\$1,198.38	\$1,145.00	\$260.38	\$53.38		
US Tutorial-Individual	\$6,230	\$850	\$5,380	\$2,795.91	\$2,690.00	\$609.55	\$105.91		

* Tuition refund insurance (TRI) is optional if paying annually but is required when paying semi-annually or monthly and the premium is included in payments listed above. A brochure explaining coverage and limitations is enclosed in the enrollment packet.

If you receive financial aid, your payment will be adjusted to reflect the reduced amount.

Please choose from the payment options above and check the appropriate box on the enrollment contract.

Monthly Payment Plan Information

If you wish to sign up for the monthly tuition payment plan, CDS asks that you pay by direct debit from your bank account rather than by check. Our debiting service has been contracted with F.A.C.T.S. Management Company, a well known, reputable company whose sole business is to assist schools in this manner.

There is a one-time annual set up charge of \$38 (or \$57 for two or more students in the same family) which will be drafted from your checking account when you sign up for the draft payment method.

Your tuition will be debited in nine equal monthly payments beginning in August on your choice of either the 5th or 20th of the month. The Business Office will send you an authorization form to be completed and signed before payments can be drafted. Tuition refund insurance is required when paying monthly and the premium is divided evenly and included in the monthly payment. The chart above shows the monthly payment that will be drafted.

If you have special circumstances that prevent you from managing a direct debit payment method, please contact the Business Office and request an exception. You should be aware that the one-time annual processing fee increases to \$80 per student for those not paying by direct debit, and will be added to the first bill.
